FORESTERS.

Court Sachem, No. 27, met Thursday evening in Foresters' hall, holding a brief session. This was the quarterly meeting, but it was decided to put over the reports till next month. Social plans were talked over and it was decided to hold a whist in the last of October, a committee being appointed to make the arrangements.

Court City of Norwich, No. 63, had a good attendance Friday evening in Foresters' hall for its regular meeting, one attraction being the work of the new degree team on four candidates. They showed themselves masters of the work required and won for themselves and Captain La Vallée much commendation for their faithful work.

Social hour concluded the meeting, with singing, recitations, and some soft shoe dancing by a few artists who had been invited in.

UNITED WORKMEN.

Grand Master Workman John C. Trant, in his September letter to the lodges, congratulated them upon the fact that the reserve fund has now reached the sum of \$165,000.

During July we sustained a net loss of only three members, he writes. Stop and consider what a small effort on our part would have done the trick. Our financial condition proves that we have passed the experimental stage, that our plan is correct and our rates adequate. What is needed now is to have our members arouse from the state of apathy into which many of them have fallen and then we will march upward and onward, bringing sunshine and happiness into the homes of many of our friends.

There is almost two months' time before the grand lodge meeting takes place, a good walking time for quite a few lodges to fulfill their promise of initiating a candidate this year.

The semi-annual report for the term ending June 30, 1939, of a number of lodges has not been received at the grand lodge office. The grand lodge meeting will be held in Meriden, October 21, 1939, it is therefore important that the semi-annual report be sent in at the earliest possible moment in order that the representative will be accredited at the grand lodge meeting.

There was the usual business at the meeting of Sebequoian council, No. 11, in Foresters' hall on Monday evening, at which there was a good attendance, and Pocahontas Agnes Dean presided. The council has candidates soon to be initiated, which will keep the local branch of the order growing. Nettie Kinnle has been elected as delegate, Maria L. Button as alternate, to the great sun council to be held in Wallingford on the third Wednesday in October.

The Neosha club held one of its enjoyable home whistles Tuesday afternoon and evening at Norwich Town, with Mr. and Mrs. Louis Vergason. A nice supper was served, and in the evening, which was played by the prize winners at the six tables being as follows: Firsts, Anna Edmonds, 25, glass dish; second, Maria L. Button, 23, a necktie; third, George Bailey, 28, a cup and saucer; consolation, Jane Holmes and D. N. Lathrop. For the next home whist Mrs. Jane Holmes of No. 164 Boswell avenue will have the club at her home on October 1, and the series of whistles in Foresters' hall will begin on the last Monday in September.

DEGREE OF POCAHONTAS.

There was the usual business at the meeting of Sebequoian council, No. 11, in Foresters' hall on Monday evening, at which there was a good attendance, and Pocahontas Agnes Dean presided. The council has candidates soon to be initiated, which will keep the local branch of the order growing. Nettie Kinnle has been elected as delegate, Maria L. Button as alternate, to the great sun council to be held in Wallingford on the third Wednesday in October.

SONS OF HERMANN.

The Connecticut grand lodge of this order is to be represented by Paul Gebhard of New Haven next week at the national grand lodge meeting in Denver, which begins Monday.

The eastern grand lodge delegates, about fifty strong, congregated in New York city Wednesday night and in their special cars started for Denver. It is expected that William Feigen, the national grand president, will be re-elected, also Mr. Richard Schaefer of New Britain, as secretary, and Mr. Gebhard as past national grand president.

HIBERNIANS.

Division No. 1, President Michael J. Dwyer in the city, held a well attended meeting Sunday afternoon in Hibernian hall at which two applications were received. Preliminary plans were talked over for a series of socials through the winter. On Nov. 18th, the division will celebrate its 38th anniversary for which preparations are already under way to make this a gala evening for the membership.

Division No. 2 met in Hibernian hall.

NIGHT ON BALD MOUNTAIN.

On a lonely night Alex. Benton of Port Edward, N. Y., climbed Bald mountain to the home of a neighbor, tortured by asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe it's the greatest throat and lung cure on earth. Coughs, colds, croup, hemorrhages and sore lungs are surely cured by it. Best for hay fever, grip and whooping cough. 50c and \$1. Trial bottle free. Guaranteed by The Lee & Osgood Co.

THE ROAD TO SUCCESS.

has many obstructions, but none so desperate as poor health. Success today demands health, but Electric Bitters is the greatest health builder the world has ever known. It compels perfect action on stomach, liver, kidneys, bowels, purifies and enriches the blood and tones and invigorates the whole system. Vigorous body and keen brain follow. It cures and cures to cure to slight Electric Bitters if weak, run-down or sickly. Only 50c. Guaranteed by The Lee & Osgood Co.

A Wonderful Paint.

Make your paint and save manufacturer's profit. You can make paint at the least cost when you mix 3/4 of a gallon of Linseed Oil coating 45 cents with a gallon of L. & M. Paint. You then make 1 1/2 gallons of paint. Buy a gallon and try it, and get your money back if not found so. The L. & M. Paint has been used over 25 years, and has decorated more than two million American homes by L. W. Carroll & Son, Norwich, Ct.; J. P. Kingsley & Son, Plainfield, Ct.

Testifies After Four Years.

Carlisle Center N. Y. G. B. Burhans writes: "About four years ago I cured of kidney trouble by taking two bottles of Foley's Kidney Remedy, and after four years I am again pleased to state that I have never had a return of those symptoms and I am evidently cured to stay cured." Foley's Kidney Remedy will do the same for you. The Lee & Osgood Co.

ORDER OF PROTECTION.

Deputy Grand W. Newbury, with Secretary Sumner W. Armstrong, of Norwich lodge, No. 248, attended a social evening given by Fort Griswold lodge of Groton on Thursday, at which lodge Supreme Secretary Daniel M. Fry of Boston was present, and also the deputies from Beulah and Hingham lodges, with several of the members of Fort Griswold lodge. A new one, but the men and women in his membership acquired themselves nobly in the entertainment and all present had a delightful time. All the visiting officers were heard from in a bright and interesting way.

Among the points referred to by the grand secretary as indicating the condition of the order was the letter of Supreme Warden Rice, just issued, in which it is shown that five new lodges were instituted in the last three months, and the net membership gain

ROYAL ARCANUM.

Norwich council, No. 72, met on Tuesday evening at the Buckingham Memorial in regular form, hearing a report from Past Regent George A. Smith of the recent fall meeting of the grand council at Hills Homestead. Whist was informally played and ice cream served at the close of the evening.

ODD FELLOWS.

Shetucket lodge, No. 27, had a well attended meeting Tuesday evening in Odd Fellows hall at which Noble Grand John McHattie presided, and at which a circular from the grand master was read congratulating the lodge that the membership in the state had now reached the 20,000 mark. After the routine business the first degree in form was conferred upon one candidate by the team under Degree Master Nelson W. Church.

Canton Onece, No. 3, enjoyed a steaming clam men's Thursday evening after its regular meeting in Odd Fellows hall. Routine business and drill occupied the time of the meeting before the claims were served.

WOMAN'S RELIEF CORPS.

Sedgwick corps, No. 1, will be well represented next Wednesday at Cromwell when it is the annual "home" day on which the women from all over the state visit the home with their donations. This time they are asked to bring jellies and preserves which will stock the larder with these dainties for the old soldiers and their wives who are inmates at Cromwell.

Sedgwick corps also has an occasion next Friday which will call out a large attendance for the visit of the instructor, who is Mrs. Nellie Boynton of Bradford. The ritual work will be performed for the first time by the members of the corps inspected, expecting to win the usual strong commendation for the way this corps administers its business.

REBEKAHS.

Thames Past Noble Grand association will hold its September meeting next Thursday with Home lodge of Groton. The association is planning to materially increase its membership before the first of the year.

AMERICAN MECHANICS.

A ladies' night for the fifth Friday in October was talked over and decided upon at the regular meeting of Manton council, No. 40, in Pythian hall on Friday evening. It is expected to make this a decidedly successful social evening and final arrangements will be concluded at the next meeting. An invitation will be extended to Virginia Dare council, No. 25, Daughters of Liberty.

ODD FELLOWS M. U.

Loyal Hugh H. Osgood lodge, No. 620, held their last meeting on Friday, Sept. 10th, when business was gone through in fine style. During the evening three candidates were admitted into the full rites of Odd Fellowship. The work of the degree staff was pleasing to witness. They brought out all the fine points of the M. U. ritual. All brothers present were well pleased with the way the degree staff went through the ceremony. A congratulatory intermission of ten minutes was given to congratulate the new members. Brother James Moss also tendered his resignation as a member of the degree staff, he having been N. G. of the staff for over ten years. It is hoped by the officers and members of the lodge that his successor will be able to do the good work that Brother Moss has done in the past. The honors of the order were conferred upon the new members. The rest of the evening was given over to routine business. The members will attend divine worship in a body on Sunday, Sept. 26th, at the Greenville Congregational church.

HEPTASOPHS.

Norwich convolve, No. 424, had a meeting of interest last Monday evening in Hibernian hall at which congratulations and farewells were mingled. The congratulations were for Past Archon D. C. Murphy of Taftville, who received a merited honor by being elected district deputy supreme archon at the convention held in Groton last Saturday. There was no opposition to him. Deputy Hemstead and Peterson were the nominees for D. D. supreme archon, the latter being elected by four votes to two.

The Norwich brothers had farewells to Henry Grodzke, who is to locate in Portland, Oregon, where he will find employment awaiting him through relatives. Brother Grodzke was a charter member of Norwich convolve and had held the offices of archon, secretary and past archon. He has been for many years the local organizer and has been instrumental more than any other member in building up Norwich convolve. It is with much regret that the members part with him and their best wishes accompany him to his new location, where they hope to hear of great success coming to him.

RED MEN.

Sachem W. L. Farrar presided at the regular meeting of Tecumseh tribe, No. 42, held Wednesday evening in Hibernian hall. The usual business was disposed of and plans for a whist series were discussed. Daniel Dean, Rufus Harris, S. H. Culver and A. E. Chandler were named as a committee to take the whists in charge. They will probably begin early in October.

MYSTIC.—Upon the return of Postmaster C. C. Foster from the Postmaster's convention at Gainesville, Ga., he brought with him a book of information entitled Practical Points for Postoffice Patrons, which he placed in every box in the office. The book is a very handy guide to postoffice patrons.
